**Contractor Non-Disclosure Agreement**

The potential offeror acknowledges and agrees to abide by the following terms with respect to non-public information, to which I may obtain access to in the course of the acquisition process under Request for Proposal No. FERC05C50175.

- A. During the course of the acquisition process, the potential offeror may at times have the need to access and view information that is marked as non-public.
- B. The potential offeror will not provide non-public information to or discuss it with anyone other than FERC employees.
- C. Any copies made of non-public information will be marked as such, in the same manner as the original.
- D. I will only use non-public information for purposes of this acquisition and will return to FERC on or before the proposal due date.
- E. I acknowledge that a violation of this agreement shall result in disqualification of \_\_\_\_\_ [name of company]'s from this competition and any future ability to contract with the Commission in the future.
